proceed and the whole thing could be bogged down. I think it could have an effect on rates. It's a very serious matter in my judgment that needs to be corrected and I think Senator Snyder simply trying to expedite a committee bill and this is one of the things I think that's important because I think there's truly an emergency here. And I agree with Senator Snyder that certainly the bill must be passed during this session in my judgment in order to save taxpayers money, in order to proceed in an orderly fashion in sub-division of government. And I think rational responsible people would, as I read this, agree to that. I think the bill ought to be heard. It ought to be expedited.

PRESIDENT: Senator Goodrich.

SENATOR GOODRICH: Would Senator Snyder yield to a question, please?

PRESIDENT: Senator Snyder yield? Yes, he yields.

SENATOR GOODRICH: Senator Snyder, you I think have got a pretty good feel already of the temperament. My question to you would be, would you be willing to put, to amend your motion, for example, to place LB1026 at the end of the underlined bills?

SENATOR SNYDER: I would, yes. I'm just doing....I thought, I thought Senator Carpenter had been contacted, had been agreeable to this. I was unaware there was going to be any flack on this. SENATOR GOODRICH: Well, then, Mr. Chairman, I move that we amend Senator Snyder's motion to state that it will then be placed at the end of the underlined bills which leaves the appropriations bills and the underlined bills where they are and his motion would then come right behind those.

PRESIDENT: Okay, that motion is in order. Senator Snyder, you concur?

CLERK: Mr. President, may I inquire? There are still underlined bills in committee. How do you put them at the end of that?

PRESIDENT: Oh. Good question.

SENATOR GOODRICH: Well, there's only one and that has been voted out of committee. It's just a matter of the Chairman's reporting it to the Clerk and he should have done that this morning early.

PRESIDENT: If they get out and get on General File.

SENATOR GOODRICH: Well, is Senator Kennedy in the chamber?

PRESIDENT: Senator Kennedy?

SENATOR GOODRICH: Yes. Here's Senator Kennnedey now.

PRESIDENT: Stand by just a minute here. Let's see what
